

# ELECTRICAL SAFETY RECALL

## SOLO 417 - 12 VOLT BATTERY POWERED SPRAYER

### SOLO 417 - 12 VOLT BATTERY CHARGER

#### **IDENTIFICATION: SOLO 417 - BATTERY POWERED SPRAYER CHARGER MODEL - SLA BATTERY CHARGER - TNS30W-120150**

The above pictured charger was supplied with the **SOLO 417 BRANDED SPRAYER**. This recall relates to the **CHARGER ONLY** and not the complete Sprayer.

The Sprayers were sold at various Pest Control Product Suppliers, Rural Sprayer outlets and Turf product retailers between January 2017 & January 2018

#### **HAZARD:**

During charging the charger can overheat, causing the wires to melt and potentially cause a fire.

#### **ACTION REQUIRED:**

Cease use of the charger immediately and contact the place of purchase who will arrange a replacement charger.
